

Circular 184-2021

29 December 2021

Dear Residents

New Regulations pertaining to Quarantine and Isolation

In SUMMARY

Residents & staff

Quarantine

- Should you come into contact with Covid19 positive individual and you show NO symptoms then it requires NO quarantine, only self-observation to see if you develop symptoms and only then is a test required.

Residents

Isolation

- Covid19 positive tested individuals, isolate for 8 days if symptoms are mild.
- Covid19 positive tested individuals, isolate for 10 days if symptoms are severe.
- Random, coincidental Covid19 positive test i.e. pre-travel or pre-hospitalisation-NO isolation required

Regards

Roy Martin
Assistant Village Manager
