

BROADACRES VILLAGE RESIDENTS COMMITTEE

COMMUNIQUE

23 May 2022

Dear Resident,

You will recall that 27 May 2022 was agreed as the date for voting on a range of issues relating to the Budget FY2023.

ResCom has had some engagements with Management and believes that it may no longer be necessary to vote at this stage. We would like to share with you the feedback that we have received from Management and invite you to attend a meeting on 27 May 2022 at 09h00 in the Life Style Centre to hear about the developments and make further inputs to ResCom on a way forward.

The document that will form the basis of the discussions will be sent to you tomorrow.

*Laurraine Lotter
ResCom chairman.*
