

Circular 041-2022

6 June 2022

Dear Residents,

SECOND COVID BOOSTER SHOT:

As many of you received an SMS notifying you that you received your boost vaccine voucher on Friday evening past. You might have also heard on the news that everyone who is above 50 can get their second Covid booster.

WE have been in contact with the Department of Health Pharmacy where we get vaccines issued from and they are waiting for the Circular from the Minister of Health to instruct the Dept of Health accordingly to issue.

They have asked us to please be patient as they will advise as soon as they have received the circular and stock of boosters are available.

We will keep you updated as we receive feedback from them.

Regards

Wilma Swart
Village Manager
