

Circular 045

24 June 2022

Dear Residents,

VILLAGE HOUSE RULES:

After my previous communication requesting documentation for Private Domestic workers and gardeners, I have had numerous conversations with residents who seem to be unaware of what the Village House rules are.

I therefor send out this communication to all residents with a copy of the latest House Rules. Please go through this and familiarize yourselves with the house rules.

For those who are not in agreement with the process of registering your domestic worker or gardener, I refer you to point 5.4.7 (on page 18) of the House Rules.

Should you require any further assistance or information, please do not hesitate to contact me.

Kind regards,

Wilma Swart
Village Manager
