

CARDIOLOGY AS WE GET OLDER

PRESENTATION BY: Dr Tony Dalby (Cardiologist)

Evergreen Broadacres Clubhouse

Saturday 8 October 2022

10:00 for 10.30

Do you wonder about the following questions?

- What does an irregular pulse mean and does it matter?
 - Atrial fibrillation and its management.
 - I have Barlow's syndrome. Is it serious?

Then this is the talk for you!

Book your place with Tshwanelo (EXT 1200) by

Wednesday 5th of October at 16:00

Tea & Coffee will be available.
