

Circular 088-2022

18 October 2022

Dear Residents

INAUGURAL JOINT RESCOM/ MANAGEMENT MEETING FOR ENGAGEMENT BETWEEN RESIDENTS AND MANAGEMENT.

In an effort to improve communication and discuss issues of general interest to resident and Management, we have decided to have joint Rescom / Management engagement sessions on a quarterly basis.

The purpose of these engagement sessions is to maximise opportunity for residents to raise issues of a village nature. There will not be any presentations by Rescom or Management, but rather just feedback to provide clarity and to residents and to engage with residents on what questions they might have. This is not a forum to discuss individual complaints. These should still be directed to Management directly.

Our first engagement will be held on **Wednesday 26 October 2022**, from 10:00 – 11:00 in the Lifestyle Centre.

Meeting to be chaired by ResCom chair. Agenda will be send out by the end of the week when finalised.

Regards

Wilma Swart
Village Manager
