

Circular 96-2022

14 November 2022

Dear Residents

RAIN DELAY: PAINTING OUTSIDE OF HOUSES: 66, 67, 69, 70, 71, 72,73, 74, 76, 77, 80, 82 and 83.

Due to the rain, we have had this week and are currently enjoying, the painting of the above houses has been further delayed.

We will advise when the rain has stopped and painting will be resumed. In an attempt to catch up on delays, we are negotiating a shorter than planned break over the festive season. As soon as we have agreed these, we will be communicating with the affected residents.

Warm Regards
