WhatsApp Groups: Guidelines

- Always keep to the purpose of the group.
- Do not spam the group.
- Do not be offended if others leave the group.
- Do politely excuse yourself before you leave a group.
- Post your message in one single submission of text, don't post every sentence in a new message.
- When airing grievances do not make personal attacks.
- When posting be sensitive to other group members' feelings and beliefs.
- Do not be offensive and no vulgar language
- If you have an issue with anybody, address that with the person individually and not via the group.
