Dear Residents,

RE: STAFFING CHANGES:

Our Admin Manager Kieara Hyman has resigned to pursue an exciting opportunity in Marketing which is what she has been studying part time over the last 3 year. We wish her well in her new endeavour.

Kim Grimes will be standing in and dealing with admin going forward. Kim has certainly excelled in her role as Duty Manager and we are very excited about having her in this new role.

We will have to replace Kim's Duty Manager position and will advise you once a suitable candidate has been appointed.

Warm Regards

Wilma Swart
Village Manager
