

Circular 04-2023

22 January 2023

Dear Residents,

RE: VISITORS PARKING:

A friendly reminder to please advise visitors to make use of the visitors parkings in the Village and to not just park in the road in front of resident's houses. This makes it extremely difficult for others to use the road and to gain access to their garages and parking bays.

Your assistance in this regard will be greatly appreciated.

Warm Regards

Wilma Swart
Village Manager
