10 February 2023

Dear Residents

RAIN DELAY: PAINTING OUTSIDE OF HOUSES: 99, 101, 102, 103, 104, 105, 106, 107, 108, 109, 110, 111, 112, 113 and 114

Due to the rain, we have had this week and are currently enjoying, the painting of the above houses has been delayed.

With weather forecasts showing that we will have rain all of next week as well, we can anticipate a two week's rain delay on this program.

The rain has also delayed the painting of fences in phase 2 and 3.

Please bear with us as we wait out the weather before continuing with these programs.

Warm Regards
