BROADACRES VILLAGE RESIDENTS COMMITTEE

VOTER REGISTRATION

20 February 2023

Dear Residents,

As you are aware national and provincial elections will be held in 2024 between April and June. Although the date has still to be announced, we have initiated discussions with the IEC (International Election Commission) on the possibility of residents being able to vote here at Evergreen.

This will require residents to apply for a special vote, which can only be done closer to the time. In the meantime, we have ascertained that there are around 50 residents in the Village that are not registered to vote at this address. This is an essential first step in being able to apply for a special vote and ultimately to vote here.

Test runs with the updated IEC web page has alerted us to a number of challenges and we have arranged with the IEC to come and do the registration here at the Club House.

We are in the process of finalizing a date with the IEC and will be inviting you to participate in the registration as soon as we have the date, which I expected to be in March 2023. In the meantime, you are welcome to check your registration status with Dennis Allen at phone 112112, cell 0609714436 or email: dennis.allen0507@gmail.com.

Best,

Laurraine Lotter
