BROADACRES VILLAGE RESIDENTS COMMITTEE

REEF CATERING SERVICE FEES

Further to the circular 02 of 17 January 2023 on changes to the Reef Catering contract, as indicated it has become necessary to levy a service fee on the setting up and cleaning of catering equipment when no food is purchased.

The imposition of this service fee will have an impact on a number of residents' activities, which include:

- Waterhole
- Bridge
- Knit and natter
- Book mornings
- Talks

Water and glasses will still be available

These activities are an important contribution to the quality of life in the Village and ResCom is of the view that we need to ensure that this change does not have a negative impact on them.

ResCom will therefore take responsibility for paying the service fees for these activities, where no refreshments are purchased from the Bistro.

There may be cases where tea and coffee is sold and residents bring their own biscuits or cake. To simplify the implementation of this residents may prefer to bring their own plates, serviettes and cake forks if they bring cake or biscuits.

In order to implement this arrangement Brenda Brophy will assume responsibility for ensuring that all goes smoothly with its introduction with effect from 1 March 2023.

Any requests for payment of the service fee for any additional activities above must be arranged with her.

Annexure 1 summarises the payments that will be made for the activities above

Best,

Lauraine Lotter

Chairman
