BROADACRES VILLAGE RESIDENTS COMMITTEE

IEC VOTER REGISTRATION

1 March 2023

Dear Residents,

We have arranged with the Independent Electoral Commission (IEC) to come to Evergreen Broadacres to register residents at this address to ensure that they are eligible to vote in the correct voting district in the 2024 national and provincial elections.

You are invited to come and register your new Evergreen address with the IEC on 10 March in the Clubhouse. Registration will commence at 09h00.

We will try and divide the list of names that we have into blocks alphabetically to avoid long queues and will be sending you this information in due course.

Best,

Laurraine Lotter

Chairman
