

Circular 043

25 May 2023

Dear Residents,

Sidewalk Garden Maintenance:

In order to ensure we have an accurate work schedule for the garden maintenance team members to work according to.

Please can I ask that those residents who maintain their own sidewalk gardens and who prefer not to have the FSG Gardeners work on their sidewalk gardens, please notify Marius Viljoen of your unit number. Marius is available on EXT 1204.

This way we can ensure we have an accurate list of houses and we can schedule the garden teams times accordingly.

Kind Regards.

Wilma Swart
Village Manager
