### Maintenance of Village pavement gardens

27 July 2023

Dear Residents,

It was agreed at the recent RAC meeting that residents would be reminded of the need to advise Marius Viljoen of their desire to manage their own pavement gardens if they wish to do so.

Marius Viljoen email:mariusviljoen@evergreenlifestyle.co.za; ext number: 1203; cell number 071 443 5682. If residents advise Marius accordingly their pavement gardens will not be included in the roster for pavement garden maintenance.

Best,

Lauraine Lotter
