

BROADACRES

Second Arbor Day Appeal

3 August 2023

Dear Residents,

On 25 July, I confirmed that we will be celebrating Arbor Day again on 02 September and appealed for funds.

Sadly, the response to date has been very disappointing. So far 9 residents have contributed a total of only R2 575! Also, only one person has informed Hennie that she is willing to help with the planting,

The appeal went out on the same day as the draft minutes of the RAC. The fact that only 9 have responded suggests that your attention was distracted by that important document.

Hence this reminder!

02 September, Arbor Day, is now only 4 weeks away. Everything must be ordered, paid for, and delivered before that day, and we cannot start on any of that until we know how much money we have. So, please folks, give this appeal your URGENT attention and make your contribution, SOONEST! We know that times are tough, and money is tight, so anything you can spare, no matter how small, will be welcomed. Contributions may be made by eft, or in cash.
