MAINTENANCE EXPRESS CHARGES.

Dear Residents,

Following on conversations at the AGM and a request to consider a lower charge for quick and easy maintenance services, we are introducing an Express charge of R50.00.

This charge will be applicable for jobs that take only 5 minutes such as changing a light bulb or changing batteries on your doorbell or smoke detector.

Should you have a number of small jobs that you require to be done at the same time, the normal Maintenance charges of R140 per 30 Minutes and R220.00 per 60 Minutes will be applicable.

This rate will be valid till end February 2024 and will increase with all other utility and domestic charges effective 1 March 2024.

Warm Regards

Wilma Swart
