

A Note from your Rescom

RESCOM FOLLOW UP ON MEETING 19 OCTOBER 2023 COMMUNIQUE 33

An extra, short meeting was held on 19 October 2023.

- 1. Resignation.** Charles Carroll has resigned from ResCom. It was decided to co-opt Graeme Smith (no 86). He and Sally are recent residents, but it was felt that it was a chance to introduce fresh ideas, opinions, etc. Neville Willemse will handle the Projects/Infrastructure portfolio.
- 2. Gardening subcommittee.** Andy Johnston will chair this. Hennie du Preez will continue to assist, and Kirsten Chalker will join them.

BokTown.

The Evergreen marketing department brought this project up at the last minute. We probably have no idea how successful it may have been as a marketing ploy, but it has been an excellent project for the residents of Evergreen Broadacres. We owe thanks to Phil Wilson and his team for sure. However, we thank Wilma, her staff, the Bistro, and the Waterhole team, who have made this a fantastic experience. So, our sincere thanks to them all. We need to carry our boys over the line on Saturday. **“Go, Bokke!”**.

The full minutes of the meeting are available from Edna Grenfell, should you wish to see them.
