

**Circular 008-2024**

25 January 2024

Dear Residents,

**Garden Refuse:**

We have a specific area for garden refuse down by the borehole area.

Please can I ask that you ensure your garden refuse gets taken to this area and not dropped at the general waste area. Our two utility workers spend a lot of time taking garden refuse that were dumped at the waste area to the correct area.

Also please remember to remove your plastic bag and to not just dump the garden refuse in the black bag. Our utility guys then have to sift through the garden refuse to remove the plastic bags as you can't discard plastic bags with garden refuse.

Please may I ask for everybody's cooperation in this regard.

Kind regards,

**Wilma Swart**
