

Circular 012-2024

20 January 2024

Dear Residents,

EVERGREEN BROADACRES – UTILITY METERING

In our process of continual improvement, we will be replacing our current utility metering companies (SmartMatter, Motla and The Meter man) with the premier service provider in South Africa – **Voltano Metering**.

Voltano is based in Midrand but has also provided Evergreen Noordhoek, Val de Vie and the greater estate and various large estates within South Africa, with metering services for a number of years.

Together with **Voltano Metering**, we will be hosting an information meeting on Friday the 23rd of February 2024 at 10 am in the Lifestyle Centre, to provide residents with some basic, high-level information on this exciting development.

The change over is estimated to happen on 01 April 2024.

Kind regards,

Wilma Swart
Village Manager

Let's work Together to make "The Village of Our Dreams"
