

# A Note from your Rescom

## **COMMUNIQUE 07-2024**

### **ELECTION 2024 – SPECIAL VOTES**

As previously indicated, we have arranged for special votes to be cast here in the Village on **27 or 28 May 2024**.

In order to be eligible for a special vote, you must apply for one. ResCom will facilitate these applications from you once applications open, which is on **15 April 2024**.

You will receive an SMS notifying you of the outcome once your application has been processed.

If your application for a special vote is successful, you will vote as follows in the Clubhouse:

- Your thumbnail is marked with indelible ink.
- You receive the relevant ballot paper(s). (Note: An explanation of the three ballot papers will be provided in the next Newsletter.)
- You mark the ballot(s) in secret, place and seal the ballot(s) in the unmarked envelope, which will be provided.
- You will then place this envelope in another envelope that you will mark with your name, ID number and voting district (VD) number. (Note: The use of two envelopes is to ensure the secrecy of your ballot (the outer envelope is discarded before counting).
- IEC officials take the envelope and place it in a secure ballot box for special votes.
- Your name is marked off the Voters' Roll with "SV" to indicate that you have cast a special vote.

Best
