COMMUNIQUE 14-2024

SPECIAL VOTE

Almost 100% of the eligible residents in the Village have registered in the voting district in which the Village is located. Of these, all except those who will be away from the Village on election day and those who prefer to visit the official voting station have applied for a special vote. Vandana Hingorani-Meyer, a DA volunteer in the Broadacres area, has assisted Dennis, and with the approval of the IEC, all 167 applications on the database have been captured. We would like to thank her for spending the time to help us. Residents are already receiving SMS messages confirming approval of applications. If you have not received an SMS confirming approval of your application, please advise Dennis or Laurraine so that the application can be followed up.

Dennis will present what to expect on election day before the election. An invitation to this presentation will be circulated in May 2024.

Please also read the article on the election in the April Newsletter.

Best

David Presbury
Chairman
