

Circular 043-2024

29 April 2024

Dear Residents,

VOLTANO INVOICING FOR APRIL 2024.

Most of you would have received your Voltano invoice for April on Friday the 26th of April 2024.

Voltano did however not bill you for Refuse and Sanitation. You will receive an amended invoice today that will correct this. Please keep an eye out for the amended invoice before making payment.

You will also notice the R117.00 admin charge has been refunded on your account as these charges have been moved to the Village account for now.

Regards

Wilma Swart
Village Manager
