

**Circular 043-2024**

10 May 2024

Dear Residents,

**BOREHOLE IRRIGATION OF SIDEWALK GARDENS.**

Please take note that our borehole irrigation pump has broken down.

There will thus not be any sidewalk irrigation happening until we have been able to either have repairs effected or procured a new pump.

Please bear with us as we endeavour to get the system back up and running.

Regards

**Wilma Swart**  
**Village Manager**
