COMMUNIQUE 18-2024

WHAT YOU NEED FOR ELECTION DAY 2024

In order to vote on 27 or 28 May in the Clubhouse, you will need to show your green bar-coded ID book or Smart card ID.

If you need reading glasses, we suggest that you bring them with you as we are not sure how large the printing on the ballot papers will be, but given the number of contestants, which the ballot paper must accommodate, the printing may be in a small print, you may need your glasses to identify your choice on the ballot paper. If you still cannot read the paper, you should indicate to the presiding officials of the IEC that you need help, and they will allow someone to assist you with marking the ballot paper.

Best

David Presbury
Chairman
