## **COMMUNIQUE 20-2024**

### **ELECTION THANKS**

I am sure that we are all grateful to Dennis and Laurraine for their hard work in making the Special Voting possible. The IEC team were predictably late, but once underway, everything went smoothly. Our thanks also to the residents who helped with the individual queue numbering for us all. This really helped to speed up the process. Thanks also to the IEC team, who were pleasant, helpful and, when required, patient. The process was complete by about 4 pm. A job very well done.

Thanks to all the above

Best
