Dear Residents

WELCOME TO NEW TEAM MEMBER: PROMISE MOGOANE

We would like to welcome Promise Mogoane to the Evergreen Management team.

Promise joins our team from the Arrie Nel Pharmacy group where she made her mark as someone who is passionate about dealing with retirees and helping people. She speaks 8 languages and did translations at the law firm where she worked before Arrie Nel. Promise is sure to excel in her new position as Duty Manager looking after Administration.

You can't miss her as she has the biggest smile and the most infectious laugh – We are delighted to welcome her to the Evergreen Family

Warm Regards

Wilma Swart
Village Manager
