

**Circular 053-2024**

**7 June 2023**

Dear Residents,

GasSA are prepared to come to the village and service your gas heater's etc at a reduced price of **R350.00 per heater**, if you have **two gas heaters or a heater and a gas hob they will service both for an additional R150.00 per appliance.**

*The catch is... they will come to the village for a minimum of 10 residents that want their heaters serviced.*

***They will be in the Village on Thursday, 13 June 2024***

Those of you that have either a GAS HEATER or a GAS HOB - Safety is YOUR priority and it is VERY important to have your gas equipment serviced.

As preventative maintenance, please have your gas heaters and hobs checked and serviced every 12 months.

**For example – things that need to be checked:**

- The hoses need to be checked
- The valves that connects to the heater
- The connections on the heater valve/volume control
- The heating panels for cracks or leaks
- Regulators

**Important Note:**

If your gas delivery guy does NOT connect your gas bottles – then call us and we will assist you to connect.

**Please book with Reception - on extension 1200**

Kind regards

**Roy Martin**  
Assistant Village Manager
