COMMUNIQUE 24-2024

REQUEST FOR DONATIONS FOR ARBOR DAY TREE PLANTING 7 SEPTEMBER 2024

As Arbor Week approaches during the first week of September 2024, we have an exciting opportunity to contribute to our village's beautification and environmental sustainability. We are planning a tree and shrub planting event on Saturday, 7 September 2024, and would love your support.

Why Arbor Day? Arbor Day is a special day dedicated to planting and caring for trees. Trees play a crucial role in our environment by providing oxygen, improving air quality, conserving water, preserving soil, and supporting wildlife. By planting trees and shrubs, we are not only enhancing the beauty of our village but also making a positive impact on the planet.

How You Can Help: We are seeking donations to purchase a variety of trees and shrubs suitable for our local environment. Your generous contributions will enable us to buy and plant these essential plants, ensuring they thrive and grow for years to come.
