

Circular 073-2024

05 September 2024

Dear Residents,

BISTRO OPERATING DAYS EXTENDED TO WEEKENDS:

Effective from 1 September 2024 the Bistro operating days have been extended to include Saturdays and Sundays from 08:00 – 17:00.

This is part of a three-month trial we are running to see if there is enough take up to make weekend operations viable.

Please find attached the weekend menu which has different offering on it to the midweek menu. We hope that this offering will appeal to residents and that it will encourage you to support the Bistro on weekends.

Due to the number of requests, we received, we also added Milkshakes to the menu (available on all days).

Please note that with our Family Festival taking place on Saturday 14 September 2024 – this menu will not be available as we will have a festival menu running for the entire day. We hope that you will support the Family Festival as well and invite your family and friends to come and join you.

Regards

Wilma Swart
Village Manager
