WHAT'S HAPPENING

NEXT WEEK 23 - 29 September 2024

JOIN CUPCAKES OF HOPE FOR A DAY FILLED WITH SWEETNESS AND HOPE

National Cupcake Day, a flagship event organized by Cupcakes of Hope, is a day that brings together individuals, businesses, and communities from all corners of South Africa to make a tangible difference in the lives of children battling cancer.

On September 28, the much-anticipated National Cupcake Day 4 Kids with Cancer will be taking place at 21 malls in the Johannesburg region. This event has taken place since 2012 to raise funds for Cupcakes of Hope, an NPC and PBO that supplies assistance and support to families and children who are diagnosed with cancer.

The funds raised will enable Cupcakes of Hope to continue the much-needed support we provide to hundreds of young cancer patients and their families every month. This includes covering their medical bills and other essential needs, from nappies to nutrition and everything in between.

Can't bake? You can still support us by donating products like flour, oil, sugar, eggs, margarine, or packaging. You can also visit a participating mall on the day and make a donation of R10-R20 for a delicious cupcake made with love. Every little bit count, so if you can't participate in person, consider making a small donation to help these brave little cancer patients. Together, we can make a difference!

For more information, email bake@cupcakesofhope.org

Thank you for your support.
