Christmas Social

SO Amira Willighagen is going to be our entertainment for the Christmas Dinner!

Who is she, you may ask? Let me take you back about 10 years, where a little nine-year-old waif of a girl stood on the stage of the Holland's Got Talent. She absolutely stunned the judges with her rendition of Puccini's "O Mio Babbino Caro", and subsequently won the jury and the public — and subsequently the final, with more than 50% of the total votes. Within days, she became a Youtube hit with over 150 million views. Two months later, her debut albumn, Amira, was launched and achieved gold status within two weeks. Another two weeks, and she performed in concerts with Andre Rieu and his Johan Stauss Orchestra. Since then, she has performed in concerts in 19 different countries.

Amira is a world star, the daughter of a Dutch father and an Afrikaans mother. And she'll be entertaining us for our Christmas Dinner.
