COMMUNIQUE 04 - BROADACRES

Roy Martin – Farewell

Dear Residents,

As you know several residents suggested that we have a farewell collection for Roy. That would have clashed with many away over Christmas and the collection for the staff. We waited until January and have received a very generous response with some contributions still coming in.

We have arranged for Roy to come to the clubhouse on Friday morning February 21st. Tea, coffee and snacks, provided by Evergreen, will be available from 10am. We will present Roy with a card and the good news and leave plenty of time for him to chat with all who would like to attend. We hope that he will see many old friends there.

Please book with Tshwanelo at reception by Wednesday 19th, 5pm.

Regards

David Presbury
Rescom Chairman
