

A MESSAGE FROM YOUR VILLAGE MANAGER

It would seem that Spring IS in the air! The mornings are brighter, the flowers are in bloom & the weather is a little less chilly in the mornings...

I would like to thank everyone who was able to attend our recent AGM in August. Congratulations to the elected RESCOM Members for 2017 / 2018 year; namely: Gail Röhm, Jeff Uys, Kelvin Barry, Diane Everett, Hilary Masters & Roy Parfitt.

A reminder that there are a number of activities every week; namely bingo, line dancing and much more. Feel free to join in at any time.

Regards,

The Sunflower Fund

Hope begins with you

Their Mission....

The Sunflower Fund educates and registers stem cell donors. We fundraise to cover the recruitment costs to grow a healthy, effective, ethnically diverse South African Bone Marrow Registry of committed donors. We play an active role in the process of saving lives through blood stem cell transplants.

The Sunflower Fund is committed to giving hope of life to adults and children in need of a blood stem cell transplant.

You can help by buying a BANDANA (Tope) from Pick 'n Pay for only R25.00.

Level 5 WATER RESTRICTIONS IMPLEMENTED

03 September 2017

Statement by the City's Executive Mayor, Patricia de Lille

With immediate effect, the City of Cape Town will be taking a number of new actions to drive down water consumption. This includes the institution of Level 5 restrictions and a further increase in pressure management.

The upper limit of 87 litres per person and the overall target of 500 million litres per day of collective consumptions remain in place, however, there is now a new emphasis on capping excessive water use at the domestic household level and placing additional restrictions on the commercial sector.

Taken from the City of Cape Town website

CATEGORIES	LEVEL 5
CONSUMPTION PER PERSON	87 litres or less per person per day wherever you are: home, work, school, etc.
LIMIT FOR INDIVIDUAL RESIDENTIAL PROPERTIES	Residential properties exceeding 20 kilolitres per month will be fined
COMMERCIAL PROPERTIES	Reduce consumption by 20% compared to previous year. Properties exceeding this will be fined.
IRRIGATION WITH MUNICIPAL DRINKING WATER	Prohibited
IRRIGATION WITH BOREHOLE/WELLPOINT WATER	Discouraged
BATHROOM	Flushing toilets with non-drinking water (e.g. greywater or rainwater) encouraged
WATER FEATURES	Use of municipal drinking water prohibited
SWIMMING POOLS (public and private)	<ul style="list-style-type: none"> • Top-up, filling or refilling with drinking water prohibited • Use of portable play pools prohibited
WASHING VEHICLES (privately or at a formal/informal car wash)	Prohibited with municipal drinking water
FACILITIES	<ul style="list-style-type: none"> • Operation of spray parks prohibited • No new landscaping or sports fields may be established, except if irrigated only with non-drinking water
INDIGENT WATER ALLOCATION	Still applies
