

Circular 36 - 2021

02 December 2021

Dear Resident,

Welcome to Samantha Gilberts – WPC Catering Manager

We would like to take the opportunity of saying goodbye to Natasha Temmers and Ralton van Niekerk who will be leaving Evergreen Diep River to join WPC at different sites by the end of the month.

We thank them for all their commitment, kindness and hospitality shown to our residents whilst they were based at Diep River and we wish them success in their new adventures.

We would like to welcome Samantha Gabriels who joins Diep River today and who will take over from Natasha. Samantha has many years' experience in the hospitality and catering industry both for WPC and CPOA.

She has worked with Western Province Catering at the Evergreen Muizenberg village and understands the retirement industry.

I hope you make her feel very welcome in our village.

Yours faithfully

Christine Dempers
Village Manager
