06 December 2021

Dear Resident,

Welcome to Lisa Jacobs – WPC/Diep River Chef

We would like to welcome Lisa Jacobs who joins Diep River today and who has taken over from Ralton van Niekerk.

She has had many years' experience in the hospitality and catering industry both for WPC and CPOA.

We trust that it won't take her long to get up and running in Diep River as she has worked with Western Province Catering at the Evergreen Muizenberg village and understands what is needed food standards of the village.

I hope you make her feel very welcome here.

Yours faithfully

Christine Dempers
Village Manager
