

## ENTERTAINMENT REPORT FOR FEBRUARY 2022 RESCOM MEETING:

- November 2021: Monthly Bingo night – successful as always. Our first Games Evening was held on 24 November. Had a fair turnout. Residents enjoyed their free glass of wine and had fun playing a variety of games such as bowls, darts, pool, scrabble and rummicub. Usual groups met such as bridge, fellowship group, weekly braai and the 2 exercise classes. The movie for the month was Philomena.
- December 2021: On 9<sup>th</sup> December we had our Village Craft Market which was very successful with a variety of food stalls, craft stalls, clothing and shoes and WP Caterers served Tea and cake. On Friday night 10 December we had a wonderful year end dinner. Thank you to all involved in arranging this. We also had a secret Santa. Most of our weekly clubs and groups had a break during December. There was no weekly braai over the Christmas and New year weekends. On New Years Eve we had a fun bring and share evening In the Bistro when we chatted and laughed and watched The Royal variety Concert. We certainly made ourselves heard on the stroke of midnight.
- January 2022: Weekly clubs and groups slowly started up again. Another successful Bingo evening was held. Thank you to Margaret Hull and her team. Thank you to Christine and team for a wonderful Italian dinner. Although we were only a few we all enjoyed the evening together. A shopping Shuttle was started on every second Tuesday going to Constantia Village or to Blue Route. Residents received their Booster Vaccinations and this was very smoothly run. A tea and cake afternoon is taking place every Thursday. The movie at the end of January was Something's got to give with Diane Keaton and Jack Nichol森. A great feel good movie.
- February: On Saturday 5<sup>th</sup> at the weekly braai we did the first of our draws for our monthly lucky draw. Congratulations to those whose names were drawn. Tickets for the February Draw are now available at Reception. The next draw will take place on Saturday 5<sup>th</sup> March at the weekly braai.  
Last night the monthly Theme dinner was held - this month A French Theme. Amanda and WP Caterers did a splendid job of setting the theme. The décor was excellent as were the lovely place mats. Music was great thanks Christine. The food was beautifully presented and cooked and the company was good and so relaxing.
