

# EVERGREEN LIFESTYLE RWC PREDICTOR

As we eagerly await the Rugby World Cup in September, it is only natural that South Africans will take more interest in the Springbok games but with a whole tournament to cover, I thought we could inject a little friendly competitiveness as the tournament progresses.

For those who have heard of, or played SUPERBRU, this will be very similar. The more players we get, the more interesting it becomes. Below is a short introduction on how it will work. It is very simple and you don't have to be an expert to play or to do well.

## HOW IT WORKS?

A prediction sheet will be issued per player on which predictions are made per match. Submit your predictions at reception or by email. You don't need to predict all outcomes at once, as long as you get the pick for each game in by the start of play or as communicated for games over weekends.

## HOW DO I PREDICT?

This is very simple. All you need to predict is:

- The outcome of the game. "Who you think will win."
- By what margin you think your team will win, or draw.

## RESULTS

Each week will be seen as a 'Round' and an official update will be shared on the Monday after each round. The Player with the highest score for the round will be announced as the 'Player Of The Round' each week.

Should there be a tie at the end of the tournament, the player who has won the most "Player Of The Round" awards will be announced as the Ultimate Winner.

## HOW DOES THE SCORING WORK?

Points will be allocated to each player as follows:

- 5 POINTS for a correct winner predicted.
- 3 POINTS for a winning margin of 5 points or less of the prediction.
- 1 POINT for a winning margin of 10 points of the prediction.
- 1 BONUS POINT for an exact prediction.

If you are interested in participating or have any questions or suggestions on how to make it even more fun, please contact me directly on [riaang@evergreenlifestyle.co.za](mailto:riaang@evergreenlifestyle.co.za). | Results will be shared on notice boards and also on Whatsapp - please indicate if you would like to be part of the Whatsapp group. This will only be to update results and an administrated group to be deleted post-tournament. An entry fee of R50 per player will be charged and can be paid at reception. All funds will go directly to the winning prizes. One overall winner and a 'Best in Village' player will be announced after the final game.
