Dear Residents,

### **Change of Village Management**

As the Evergreen Lifestyle business expands it necessitates, from time to time, to make some changes to our senior management team.

Therefore, on 1 March 2024, Christine Dempers will move to Evergreen Muizenberg where she will take up the position of Village Manager.

She will be replaced by Riaan Gouws, who is currently the Village Manager at Evergreen Bergvliet. Riaan will take up a dual role, managing both Evergreen Bergvliet and Evergreen Diep River.

To this end, Amanda George will be responsible for the daily operations of Evergreen Diep River and she will report directly to Riaan. Amanda will be your immediate point of contact within the village.

Both Christine and Riaan have made huge contributions to Evergreen Lifestyle over the years and they were the natural choice when these new opportunities became available. Please be assured that these changes will have no impact on the operations of the village in any way.

I would like to wish Christine all the best in her new role at Evergreen Muizenberg and simultaneously welcome Riaan to the Evergreen Diep River community.

Should you have any queries, please do not hesitate to contact management.

Best Wishes,

Garry Reed  
Managing Director
