

20 May 2024

Dear Resident,

DQ98 MEDICAL ASSESSMENTS

A DQ98 medical assessment, is an annual assessment mandated by the Department of Social Development under the Older Person's Act of 2006.

The aim of this assessment is to determine any changes in your medical health over the last year and to update your medical records accordingly. This will enable both you and the village team to identify and address any potential health risks. At the same time the DQ98 is used to update your personal and medical emergency contact details.

Sr Sharon Adams from Evergreen Health will be scheduling appointments and conducting these assessments from this week.

If you have any questions, please do not hesitate to contact me.

Thank you advance for your support.

Regards,

Riaan Gouws
Village Manager
