Dear Resident,

You no doubt have read or heard about our new village at Noordhoek.

I am pleased to inform you that Kim Whitworth has been appointed Village Manager at Noordhoek. As you know her efforts and dedication has not gone unnoticed and it was not a difficult decision to appoint her to this position.

Kim will continue to manage Evergreen at Lake Michelle and her focus will remain the same to you the Lake Michelle resident.

I am sure you will join me in wishing Kim all the success in her new position.

Kind regards,

Derek Drew
