Dear Resident,

### IEC SPECIAL VOTE REGISTRATION AT EVERGREEN NOORDHOEK : 11 APRIL 2019

A special vote allows a registered voter who can't vote at their voting station on election day to apply to vote on a predetermined day before election day.

By law, special votes can **only** be cast on the dates specified in the election timetable and **no exceptions** can be made.

#### Do I qualify for a special vote?

You can apply if you –

- Are a registered voter;
- Have a valid South African identity document (green, barcoded ID book; smart ID card; or a valid Temporary Identity Certificate).

By law, you can apply for a special vote if you:

- can't travel to your voting station because you are physically infirm, disabled or pregnant; or;
- can't vote at your voting station on election day as you will be away.

#### How to apply for a special vote at my voting station?

IEC will be at Evergreen Noordhoek on Thursday, 11 April from 10h30. This will be held in the Meeting Room at Unit 8 (Management Office).

You **will receive an SMS notifying you of the outcome once your application** has been processed, but you can also check the status of your special vote application online.

**Special voting in South Africa in the 2019 National and Provincial Elections will take place on Monday 6 May 2019 and Tuesday 7 May 2019, as per the election timetable.**

If you can't travel to the voting station where you are registered because you are **physically infirm, disabled or pregnant**, voting officials will visit you at the address that you indicated in your application for a home visit either on 6 or 7 May 2019 and allow you to vote.

Kind regards,

**Kim Whitworth**
