

TABITA FASHION is located in the Cape Quarter Lifestyle Village in Green Point. The boutique was founded in 1996 and was prior to its present location a tenant for many years in the Garden Shopping Centre in Cape Town. Tabita's merchandise comprises dresses, pants, tops, jackets, blouses, handbags and accessories. Our style is classic, timeless and 'hip'. We endeavour to assist our clients in purchasing merchandise that suits their lifestyle as well as their pockets. Our age group varies from 20 years to 100 plus!
