International Day of Older Persons

INTERNATIONAL Day of Older Persons

We're fortunate to have older people around us, whether they're family, friends, or just general acquaintances. Older people are fonts of wisdom, experience, and storytelling. They can inspire us to continue striving – or warn us of dangers we're unaware of. We should look to them for guidance whenever and wherever possible. Unfortunately, far too often we tend to forget – or, worse, downright ignore – the older people in our lives. That's one of many reasons why the International Day of Older Persons on October 1 is such a terrific holiday.

We look forward to hearing our Evergreen Residents stories – share some with your Village Teams.
