12 - 18 JULY 2021

## WHAT'S ON THIS WEEK

Dear Residents

In this weeks "Aloe" (the shortened bi-weekly version of the newsletter) you will see next week's menu options as usual and also all the reasons to celebrate and be merry. I am sure you are all waiting to hear when we will have the next family meeting but until then I would like to remind everyone about a few of the regulations and update you on other Covid-related issues:

- The much anticipated 2nd round of Pfizer vaccinations will be taking place on the 19th and 20th of July and the team will start setting up bookings from Monday, similar to the way we did it on the 1st round.
- With the current lockdown regulations in place, all contracted maintenance work (Noordhoek) remains suspended until further notice. Only emergency or essential work will continue.
- Visitor access into the village remains on a compassionate basis only. Please ensure all your family and friends are made aware of this to avoid unnecessary disappointment and frustration.
- All indoor facilities (pool, gym, games) must be booked at Reception to allow us to keep the facilities open safely.

On another note I would also like to advise you of the following:

- There will be scheduled maintenance on Municipal substations in our area and therefore there will be interrupted power supply into the village between 06h00 and 14h00 on Sunday 11 July 2021.
- On the 15th of July, we celebrate "National Give Something Away Day" so please see the attached notice showing a few ideas where we can make a difference in the lives of those less fortunate than ourselves.

Wishing you all a wonderful weekend,

Regards

Riaan and the Evergreen Team

# WHAT'S ON THE MENU

WESTERN PROVINCE CATERERS
