WHAT'S ON THIS WEEK

Dear Residents,

In a week where the country welcomed newly revised lockdown regulations - now at level 2 - we have seen great support for this month's BIG event, the Heritage Day Spit Braai. We are fully booked and running a waiting list already **(PLEASE NOTE - no shows and cancellations will be charged unless we are able to replace your booking.**

The Bistro is also doing very well and August was our best month to date serving over 2000 residents, and we are well on track to exceed that in September.

A big thank you also to everyone that has been sharing interesting bits of information and experiences to add to our weekly newsletter. All I can say is keep'em coming!

You will also note a special page this week titled, **"HAVE YOUR SAY"**. Here you will find 3 separate surveys. Heading into summer, and what we hope will be the end of restrictive lockdowns, we can now begin to plan a little further ahead, so, I would like to invite you to share your thoughts and suggestions as to what we can improve upon or start-up. We need as many residents as possible to complete the surveys so please take the time to have your say.

Lastly, I am happy to inform you that the show apartments are now complete and you will soon see them being marketed. For all those interested who could not get a good view through the front door, I would like to invite you to come and have a proper look. I will be ready to answer as many of your questions as possible so please pop in and come and take a look.

Viewing times:

- Friday 16 September 2021 - 15h30 to 16h30
- Tuesday 21 September 2021 - 15h00 to 16h00
- Wednesday 22 September 2021 - 15h00 to 16h00

Wishing you all a wonderful weekend,

Regards

Riaan and the Evergreen Team

A Tribute To A Very Special 4-Paw

Dearest Lucky,

You came to us late in your life and in ours but you were a very special soul who brought much joy and love in the very short 8 months you were with us. It had been six years since our last dog Jock had left us and I had been volunteering at Tears Animal Rescue for that time and managed not to bring a dog home.

The first time I saw you at Tears and we gave you a bath I sort of knew that you were the one I had been waiting for. We decided to foster you but that lasted only one week before we officially adopted you.

Not everyone can understand all the fuss made when losing a beloved pet, saying "it's just a dog" well, no it is not just a dog, it's a living breathing soul who gives unconditional love from the moment they are brought home until the day they leave us.

We have had many animals in our lifetime but I can honestly say that you were our most beautiful soul and we will never forget the joy you brought into our lives. I know you are running free but still watching over us. I know that we will feel your presence always.

Go well sweet boy, we named you Lucky but we were the lucky ones.

I would just like to say a heartfelt thank you to Riaan who wrote that beautiful tribute to Lucky in last week's Aloe Aloe.

We really appreciated it.

Megan & Roger Bagshaw
