4 OCTOBER 2021

WHAT'S ON THIS WEEK

Dear Residents,

With both feet officially in October, less than 100 days left to Christmas, local elections to continue as planned, and South Africa finally entering Level 1 Lockdown, we can all look forward to what might resemble a normal"ish" last quarter of 2021 and possibly even some foreign visitors back on our shores.

A BIG thank you to everyone who joined us for Heritage Day and contributed to making the event a huge success. We were booked to capacity and the WhatsApp's, emails and notes of thanks and compliments were all shared with the team. This was hugely appreciated and has got everyone motivated for the planning of our very first Oktoberfest on the 29th of October.

Thank you also to everyone that "had their say" in the surveys we shared. The information will definitely help us with the planning of social activities in the Village. There will be a lot more "coming soon". All you need to do is to keep supporting the events.

We have tentatively booked the 18th of November for the next Inter-Village Pool and Table Tennis Day against our friends at Evergreen Muizenberg. I suggest all those interested in participating limber up and start practising. We play to win! (and socialise!) :-)

We may even have our own little tournament in preparation for this event.

Wishing you all a wonderful weekend,

Regards
Riaan and the Evergreen Team
