Dear Resident,

Change in Village Management – Evergreen Noordhoek and Lake Michelle

As our business is ever growing it has necessitated us reviewing our management structures to accommodate these changes.

I would like to hereby inform you that Riaan Gouws, Evergreen Noordhoek and Lake Michelle Village Manager, will be moving to the Evergreen Bergvliet Village as Village Manager as of Tuesday 2 May 2023.

Riaan joined us mid-2020, under difficult circumstances of COVID-19 Lockdowns and has been an integral part of the growth and development of the village which saw the addition of phase two and three of the houses, the lifestyle centre, and apartments. He has singlehandedly been responsible for the excellent catering services and multitude of events hosted over the years. His creativity has also led to the establishment of the highly anticipated weekly newsletter 'Aloe-Aloe,' which I look forward to every Friday.

Evergreen Lifestyle Villages is extremely proud of Riaan and his team and I am sure he will be sorely missed; I am equally excited to see the value he will add to Evergreen Bergvliet in time to come.

Riaan will, over the remainder of this month, be attending to a handover process at Evergreen Bergvliet and will himself be handing over to Elvirah who will, in the interim, take care of the village until a new Village Manager has been appointed.

Evergreen Lifestyle Villages has already started the process of recruiting a replacement for Riaan and hope to make an announcement in this regard shortly.

Please join me in wishing Riaan well as he moves to Evergreen Bergvliet as their new Village Manager.

A farewell event for residents and staff will be arranged for him in the last week of April.

Yours Faithfully,

Garry Reed

Managing Director
