

Dear Residents,

New Village Staff

We are delighted to share with you that we have employed 2 more staff members in October. As the Village grows, so is the need for the staffing compliment to match the growing daily demands of this Village.

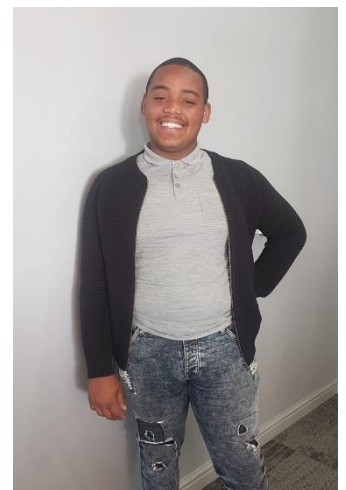

Olivia Crowther

Olivia has been appointed as Receptionist at Evergreen Noordhoek. Olivia comes with a wealth of knowledge, energy and creativity. Olivia says: *"I recently returned from a four and a half year stay in Malaysia, and I'm happy to be back home in South Africa. I'm glad to be here, and it's a pleasure to work at Evergreen"*.

Shadwin Bergstedt

Shadwin joins the team as a Utility worker. Shadwin completed his Matric Certificate last year and did some studying the first part of this year. This is Shadwin's first permanent employment position and we welcome him to the Evergreen Noordhoek Family.

Kind regards,

Village management
